Quinquennial Parish Property Survey

As reported to the AGM, we have recently had an independent review of the fabric of the church, the presbytery and the grounds, known as a quinquennial. This did not reveal any major issues other than a recommendation for a modernised kitchen, which the AGM endorsed and for which we have now obtained architect's drawings. There are however a very large number of relatively small recommendations like renewing the lines for the front car park bays and removing trip hazards. If there is anyone in the congregation which the kind of practical skills which your priest and finance committee lack and who would be prepared to give up a bit of time to help out with some of the tasks, Father Robin or Tim Flesher would be delighted to hear from you!

Catenians

This weekend and next, Ray Swinburne from the the Fleet Catenians is coming to speak to both parishes to encourage people to think about joining.

The Catenians are an association of Catholic laymen who are committed to their faith, their families, those in need and each other. Their primary purpose is to establish a network of friends, strengthens their family life and sustains them in difficult times.

Friendships are developed through meeting together once a month and enjoying a varied programme of social events.

As well as Fleet, the other local group local to us is the West Surrey Circle, of which at least one member of our church is already a member of and the contact details of both groups are on the province 11 website www.province11.com

Lent Study Groups

Lent is almost upon us. Ash Wednesday is 1st March. The Diocesan study this year revolves around Lectio Divina on the second reading of each Sunday, a key proclamation and reflection on passages from a book entitled "God is not angry" by Fr. Ian Petit OSB. His book gives an insight to the loving God who gives of Himself unconditionally to us. Deacon John thoroughly recommends it, having been privileged to have heard Fr. Ian in the flesh many years ago. As with all these studies of our Sunday scriptures they are better carried out in the week before which means we begin our study in the week commencing 27th February. As always these are better undertaken in groups but the material can also be used by individuals. Please put your name on the list at the back if you want a copy. If you are prepared to host a group please talk with Fr. Robin or Deacon John. It isn't about being learned or holy, it's about being welcoming and keeping things on track.

Youth Group

We are having another joint Youth Group event with St Peter's Ash on Saturday 18th March. After the usual Saturday evening Mass at Holy Angels, the youth group are invited over to St Peter's Hall at 6.15-6.45pm for food, followed by Stations of the Cross and then further activities in the hall.
