Quinquennial Parish Property Survey

As reported to the AGM, we have recently had an
independent review of the fabric of the church, the
presbytery and the grounds, known as a quinquennial.
This did not reveal any major issues other than a
recommendation for a modernised kitchen, which the
AGM endorsed and for which we have now obtained
architect's drawings. There are however a very large
number of relatively small recommendations like
renewing the lines for the front car park bays and
removing trip hazards. If there is anyone in the
congregation which the kind of practical skills which your
priest and finance committee lack and who would be
prepared to give up a bit of time to help out with some of
the tasks, Father Robin or Tim Flesher would be
delighted to hear from you!

Please remember that the office has a new email
