## Fatima Anniversary

This weekend marked the centenary of the first apparitions to the shepherd children at Fatima, and Pope Francis has canonised two of them: Ss Jacinta and Francisco.

One of Our Lady's request repeated at all 6 of the apparitions was that the rosary be prayed daily for peace. Sister Lucia said that Jesus had revealed to her that He had given His mother, Our Lady a special role in bringing true peace to the world and that our prayers were an important part of this.

If you are at all concerned about the volatile state of our world, please consider responding to Our Lady's request, especially during this season of May.

<http://www.worldfatima-englandwales.org.uk/presentations.html> is an excellent website where you can learn more about the celebrations which will be taking place between May and October of this year. Fr Robin has been reading "Fatima for Today" by Fr. Andrew Apostoli, which is published by Ignatius press - which he highly recommends if you want know more about the apparitions and their relevance for today.

## EWTN UK

The Eternal Word Television Network (EWTN) is the largest provider of Catholic media in the world today. As more and more of us are increasingly getting news and information more from modern media than from more traditional sources, the importance of this sort of Catholic ministry is growing.

Although EWTN is primarily based in America, they are beginning to increase their UK presence and content and we are distributing leaflets about their work in the parish this weekend. Father Robin's own journey into the Catholic Church was significantly influenced by two programmes broadcast on their network: *The Journey Home* and *Catholic Answers* ([www.catholic.com](http://www.catholic.com)) Do check out their website at [www.ewtn.co.uk](http://www.ewtn.co.uk)
