CAFOD & Justice and Peace

Thank you to Rod Thick from St Mary's parish, Worthing, who just before Holy Week spoke to a group of 12 of us at Holy Angels on the Cafod 'Live Simply' project.

He gave us many useful ideas about how our parish both as individuals and as a whole can, by adopting a more simple lifestyle, support local families while also caring for the environment and

those overseas communities suffering the drastic effects (e.g. drought) of climate change. We will, initially then, offer some Fair-trade products at our next Cake Sale the week-end after Easter. You can find out more about the live simply project via the CAFOD website www.cafod.org.uk

Secondly this seems like a really good opportunity to think about how we as a parish (parishes) engage with these issues that we often describe as being about 'justice and peace'. If you would be interested in forming a small group to take forward the support we have begun with our CAFOD lunches and cake sales please express your interest by contacting Mike Harte via the parish office.

Please note there is no cake sale in May.

Pro-life action

Life Charity and SPUC have launched a joint petition to strip abortion provider Marie Stopes of their licence to perform abortions in the UK, following a string of recent scandals revealing a shocking lack of care exercised to women. Please visit <https://www.spuc.org.uk/news/news-stories/2017/march/spuc-and-life-launch-joint-petition> for more information and to sign

A few weeks ago, it was announced that LifeCharity have been awarded a £250,000 from the government's 'tampon tax'. This money is going to go towards a project housing and helping pregnant homeless women in East London. It is estimated that it will help over 5,000 women in the next few years. As Life Charity do not support abortion, there has been a huge movement by the press and politicians to have this grant removed, before the charity actually receive it. Life undertake a number of worthy initiatives and it would be an utter tragedy if this were to happen, not least for the

vulnerable women involved. To help, please consider emailing your local MP <https://lifecharity.org.uk/act-now/> in support or signing this petition. <http://www.citizengo.org/en-gb/lf/46682-stop-abortion-centre-bpas-forcing-govt-cut-practical-support-mothers-unplanned-pregnancy>

Mary and the Month of May

The month of May is almost here, a month which the piety of the faithful has long dedicated to Mary, the Mother of God. Our heart rejoices at the thought of the moving tribute of faith and love which will soon be paid to the Queen of Heaven in every corner of the earth. For this is the month during which Christians, in their churches and their homes, offer the Virgin Mother more fervent and loving acts of homage and veneration; and it is the month in which a greater abundance of God's merciful gifts comes down to us from our Mother's throne.

Plea For Mary's Help

May she who experienced the cares and hardships of earthly life, the weariness of daily toil, the hardships and trials of poverty, and the sorrows of Calvary, come to aid the needs of the Church and the human race. May she graciously lend an ear to the devout pleas of those all over the world who beg her for peace. May she enlighten the minds of those who rule nations. And finally, may she prevail on God, who rules the winds and storms, to calm the tempests in men's warring hearts and grant us peace in our day. What we seek is true peace grounded on the sturdy foundations of justice and love—on a justice which recognizes the legitimate rights of the weak as well as those of the strong; on a love which keeps men from falling into error through excessive concern for their own interests. Thus each person's rights may be safeguarded without the rights of others being forgotten or violated.
