Bible Timeline

Following on from our Big Picture course we will run another course, again running either side of the autumn half term. The Big Picture course picked out themes from the Bible in order to build a 'big picture' of the scriptures. This time we are planning to look at the *Quick Journey Through the Bible* a course that helps us get a better overview of the books of the bible and the way they relate to each other. It should work well as a follow up for those who participated in last years course and be accessible to everyone else as well.

Power to Be

One in six people are still living without electricity. Please join CAFOD's campaign to help bring power to our global neighbours. The World Bank has a mission to end poverty around the world. The right kind of energy can help millions of children have the power to be whoever they want to be – whether that's a politician, a doctor, or a mathematician. Your support will help them fulfil their dreams and reach their God-given potential. Please sign a card (also on the 16-17th September) to the UK's representative at the World Bank.

CAFOD Meeting

Please come and join us on Tuesday 12th September at 7:30pm until 9pm in the hall at St Mary's Rydes Hill Guildford GU2 8BP. This year's Harvest Fast day is focussing on El Salvador and the challenges facing farmers there which is quite fitting as it is 100 years since the birth of Blessed Oscar Romero. Everyone is welcome for more information please contact Martin arundelandbrighton@cafod.org.uk or call 01483 898866
