Last film for film night 2017 will be "The Book of Eli" starring Denzel Washington and Gary Oldman.

Thirty years after war turned the world into a wasteland, a lone warrior named Eli (Denzel Washington) marches across the ruined landscape, carrying hope for humanity's redemption. Only one other man (Gary Oldman) understands the power of what Eli carries, and he is determined to take it for himself. Though Eli prefers peace, he will risk death to protect his precious cargo, for he must fulfill his destiny to help restore mankind.

Bible Timeline

Following on from our Big Picture course we will run another course, date to be confirmed. The Big Picture course picked out themes from the Bible in order to build a 'big picture' of the scriptures. This time we are planning to look at the *Quick Journey Through the Bible* a course that helps us get a better overview of the books of the bible and the way they relate to each other. It should work well as a follow up for those who participated in last years course and be accessible to everyone else as well.

We have decided to run these sessions over two Saturdays in the new year 27 January and 10 February, from 9.30am - 1.30pm finishing with a shared lunch.

50th Anniversary of the Abortion Act

A joint statement was issued by the Bishops Conferences of Scotland, England and Wales, which draws attention to the 8.8 million lives lost to abortion, since the Act was passed through Parliament in October 1967.

Copies are available at the back of church along with some leaflets from Life Charity.

You may have read some media about plans to ban pro-life organisations from outside abortion clinics. There is a lot of disinformation and smears being spread by the mainstream media, who are refusing to offer alternative viewpoints. Women who have been helped to keep their babies by the help provided by the Good Counsel Network, have been denied an opportunity to speak on various TV and radio programmes and the entire media coverage of this issue has been extremely biased and one-sided.

As well as praying, two very practical things you can do, is to think about donating to a pro-life charity. The Good Counsel Network in particular, offer housing, financial and legal assistance and childcare, to women who without their help would have no other choice than to have an abortion. Many of their clients are those on the margins who do not qualify for state assistance. Without the presence and help of the Good Counsel Network, they would have been unaware of the assistance on offer and their children would not exist. Please visit their website on <http://www.goodcounselnet.co.uk> for further information.

Compendium of the Catechism

6. What does God reveal to man?

God in his goodness and wisdom reveals himself. With deeds and words, he reveals himself and his plan of loving goodness which he decreed from all eternity in Christ. According to this plan, all people by the grace of the Holy Spirit are to share in the divine life as adopted "sons" in the only begotten Son of God.
