Bible Timeline

Following on from our Big Picture course we will run another course.. The Big Picture course picked out themes from the Bible in order to build a 'big picture' of the scriptures. This time we are planning to look at the *Quick Journey Through the Bible* a course that helps us get a better overview of the books of the bible and the way they relate to each other. It should work well as a follow up for those who participated in last years course and be accessible to everyone else as well.

We have decided to run these sessions over two Saturdays in the new year 27 January and 10 February, from 9.30am - 1.30pm finishing with a shared lunch. information. Please sign up as we need to order course material.

Gift Aid

If you have taken a gift aid form it would be a wonderful Christmas present to the parishes if you were able to return it.

CAFOD - Holy Angels

World Gifts. As a parish we may wish to buy a 'World Gift' to help transform the lives of people in the poorest areas of the world. We are asking for individual donations which, added together, will enable our parish to buy a gift from the World Gift brochure (available from the Fairtrade stall). This may be a chicken, or a goat, a water pump, a mosquito net, a tent...depending on how much we collect. There is a donation jar at the Fairtrade stall.

A Diocesan Vision for Mission

In October 2017 Bishop Richard met with representatives from the Parishes around the diocese including Holy Angels and Holy Family. The purpose of the meeting was to look to the future of the Diocese and how the role of Parishioners may shape and influence that future.

During a short presentation Bishop Richard explained that we are living in a time where re structure will be required to fulfil the mission of the Church and that a review of Diocesan and Parish life is needed to help us look to that future. He accepted that this would be challenging, especially in a time when the ratio of Priests to people is in decline and difficult decisions will need to be made. Bishop Richard is keen to hear feedback from Parishioners across the Diocese and so he asked those present at the meeting to seek feedback from their fellow Parishioners.

Bishop Richard posed many issues for consideration however these can be summarised as so:

❓ Given the Mission entrusted to us all, what three things do you think we most need for Mission-effectiveness?

❓ What roles in this Mission can be best carried out by the lay-faithful?

❓ What roles in in this Mission belong to the Priest?

❓ What factors, do you think, have brought about the present situation that we are having to address in our Diocese?

❓ If we were starting the Diocese today, with 25 priests, where would you place them?

In order to facilitate feedback I propose to hold a Parish meeting 7.30pm Friday 19th January (at Holy Family) 6.30pm Saturday 20th January (at Holy Angels).

I would urge you to please come to the Parish meeting(s) and help us formulate our response to the questions that Bishop Richard poses. The future of our Parish will depend on it. I anticipate the meetings to last no longer than 2 hours and to finish with a sociable fish and chip supper.

In advance of the meetings may I please ask that you complete the questionnaires available from this weekend and return them to me (box at the back of Church) or to the Parish office via email holyofficesurrey@gmail.com no later than Sunday 7th January in order that I have time to review your responses before the meetings.
