Rosary on the Coast

Rosary on the Coast for Faith, Life & Peace in the British Isles: On Sunday 29th April 2018 at 3pm. Rosary on the Coast is an initiative of the Lay Faithful across the British Isles inviting the faithful of our nations, with the support of our clergy and Bishops, to a Day of Prayer for Faith, Life and Peace which will surely be pleasing to the Holy Spirit, and to Our Blessed Mother. The Rectors of our two National Marian Shrines (Walsingham & Our Lady of the Taper) in England and Wales have given Rosary on the Coast their full backing and encouragement. You can find lots of information on their [Facebook](#) page and [website https://www.rosaryonthecoast.co.uk](https://www.rosaryonthecoast.co.uk) where you can also read the Briefing Document for the event.

As we are not on the coast we are gathering in both our Churches, **Holy Angels and Holy Family** together with the rest of the country as we pray for the protection of Life and Peace in our World. So all are welcome; just bring your Rosary beads.

This initiative is supported by Pope Francis.

March for Life - London 5th May 2018

The organisers of the annual March for Life, pro-life event have managed to move the event to central London, in order to coincide with the 50th Anniversary of the Abortion Act which came into effect on 27th April 1968.

Since then, 88,624,567 innocent lives have been lost due to the Act. It can often seem difficult to know what we can do to help change the culture in the country, but one of the best ways to start is to attend March for Life.

If you've never attended a March for Life before then here's what to expect: In the morning there are Masses & Christian services available which are taking place around London. 'LifeFest18' (the pro-life festival part) starts early at 9.30am in 'The Connaught Rooms' in Covent Garden. During the morning there will be workshops, pro-life stalls, merchandise, live music, a prayer room for prayer ministry and Confessions. A children's craft area with face-painting for the children (and adults), some inspiring testimonies and other surprises to be unveiled on the day.

The morning festival will finish at 1.00 which will then lead straight on to the BIG MARCH. We will have a joy lled 'march' or procession through the streets of Westminster proclaiming our central message of 'Life from conception – No exception' before we come together for a time of quiet reflection and our keynote speakers in Parliament Square. To be pro-life is to be pro-active about what we believe. Maybe you are not quite sure whether you are pro-life yet or have a few niggling questions . . . then come to March for Life as you will have your questions answered and your doubts put to flight. Maybe you have never done anything pro-life before . . . then come to March for Life as this is an easy way to start and once you get there you will find plenty of ideas of how to continue some pro-life activity.

Plenty of information is available on the website <https://www.marchforlife.co.uk> along with details of where to join a local coach.
