## Our Lady

If you missed the opportunity to visit Aldershot Cathedral for the travelling visit of the Image of Our Lady of Walsingham as part of the preparations for the reconsecration of England to Mary there will be an opportunity to visit our own Cathedral at Arundel later in the year.

There is more information to be found on the Dowry tour website. <http://dowrytour.org.uk/military/> T

**“When England goes back to Walsingham, Our Lady will return to England”**

These prophetic words of Pope Leo XIII seem to indicate that Walsingham is intimately associated with the spiritual health of England. The Walsingham (Pynson) Ballad reflects the tradition that the title 'Dowry of Mary' goes back to St Edward the Confessor, in whose reign (1042-1066) the Holy House was built. Whether the title originated in Walsingham or not, the title was certainly promoted there. The Holy House in Walsingham was erected as a replica of Mary's house in Nazareth, which led to England becoming known as the "Holy Land, Our Lady's Dowry", and Walsingham being called the "New Nazareth"

So the 2020 rededication will be the offering of the faith of the people of this country to the Mother of God, to seek Our Lady's prayers for the loving care and protection of our country.

There are a number of lovely rosaries and other items on sale from the Holy Land which might catch your eye this weekend.
