### **Prayer Intentions**

If you would like the name of a sick or recently deceased person to be placed in the newsletter for prayer, please contact Cally in the office. Names would need to be renewed every week with a further request for continued inclusion.

**Celebrating the Risen Jesus** As we continue to celebrate the Easter season we are asked to continue to draw close to the risen Jesus. A few resources that may help you do this: Over Easter, David Suchet read the whole of the St John's gospel from Westminster Abbey over and it is very worth watching on youtube. <https://www.youtube.com/watch?v=PKiAXVxOm6o> It's an excellent reading - it really feels like he is in your living room reading the Gospel to you, and its very powerful hearing the whole Gospel rather than the snippets we often do. He also gives a lovely ten minute interview which might well encourage you to listen to the Gospel reading. There is also a tv drama of the life of Christ being made at the moment, called The Chosen. It is being made free via an app and youtube, though of course you can contribute to the project if you find it helpful. I have found both these resources very powerful and encourage you to engage with them. <https://watch.angelstudios.com/thechosen>

### **Marian Month of May**

Pope Francis has requested that the Church comes together every day during the month of May to pray for "the end of the pandemic together with the recitation of the Rosary together with shrines from all over the world." Each day will have a different specific intention, as well as praying for the end to the pandemic. The First of May (Saturday) has been assigned especially for Our Lady of Walsingham, with the prayer intention in favour of all Souls.
