Offertory Collection

Because of the move away from cash the offertory collection at Holy Angels and Holy Family Churches is taken at the door rather than passing the plate around the church.

Both churches have the opportunity for cashless giving and cash and we thank you for your generosity. It is your donations which pay for our churches. Please contact the office for information about standing orders, often the best way to manage your giving to the church.

Second Collection

World Missions/Missio

World Mission Sunday is celebrated in every Catholic community in the world. It's a moment of grace to express solidarity with our brothers and sisters in Christ who are living in situations of poverty, violence and oppression. Every parish, school and community is invited to join this

special event. And every penny, pound and prayer you give to Missio helps missionaries everywhere continue their work.

Thank you for PACT second collection

NOTICES

October is the Month of the Holy Rosary.

In the words of St. Josemaria Escriva, "To say the Holy Rosary, considering the mysteries, repeating the Our Father and Hail Mary with the praises to the Blessed Trinity, and the constant invocation of the Mother of God, is a continuous act of faith, hope, and love, of adoration and reparation."

Let's turn to Our Lady often this month through the prayer that she has often asked her children to pray.

Bishop Richard has published a new Pastoral Plan for the Diocese, *The Word Who Is Life*, 2022. You can read and download the new Plan on the diocesan website.

I have heard a number of stories of people's powerful experiences of visiting the relics of St Bernadette. Don't neglect to ask the Saints for their prayers.

The Lead Bishop for Life Issues at the Bishops' Conference, the Rt Revd John Sherrington, expressed his dismay after MPs voted in favour of an amendment to a Bill that could make it a criminal offence to breach 150-metre 'buffer zones' around abortion clinics. MPs backed the amendment to the Government's Public Order Bill on Tuesday evening, 18 October, by 297 votes to 110.

"I am disappointed with last night's vote, which amended the Public Order Bill so as to impose 'buffer zones' around abortion clinics nationwide. If the Bill passes all its parliamentary stages, then women facing a crisis pregnancy will be denied access to alternative choices and practical support. Many women and their unborn children have been helped as a result of such peaceful vigils at abortion clinics. In 2018, the Health Secretary argued that extra legislation was unnecessary to regulate these vigils. "This amendment raises larger concerns about freedom of religion, belief, expression and association. Whilst these rights have to be balanced against the rights and freedoms of others, these are already guaranteed by laws designed to prevent harassment outside clinics and this amendment is not necessary.

"This amendment makes peaceful presence, prayerful witness and the offer of practical support to those most in need a crime, punishable by fine or imprisonment. It is a sad day for democracy, for women and unborn children, and this amendment does not serve the common good. "We will continue to oppose this amended Bill and continue to pray for and offer support to pregnant women and their unborn children."

The Next Youth Group meeting is Saturday 29th October after the 5.15pm Mass at Holy Angels which we encourage you attend first – meeting finishes normally about 8.15pm.

Karibu Nyumbani Orphanage- Tanzania

There are now 24 children at the orphanage. We are very excited to be able to see all the children again, who have grown so much, but also to meet the new arrivals. We first visited the orphanage in 2015 when we took a group of young people to volunteer from the youth group. We have returned every year since until Covid! After 3 years it is now possible to visit again. Sadly, due to Covid we not been able to go to the orphanage but also unable to fundraise.

Gloria and Hilary will go out on 3rd November and would love to show the support of both parishes by taking out donations. Like any charity they have suffered from lack of fundraising over the last few years, and like any household at the moment, they have rising cost of living. We would normally be organising fundraising events but as Parish life returns to normal, our priority has been resuming the ministries.

We will leave a basket for donations at the back of church over the next few weeks, or alternatively you can give directly to Gloria or Hilary. Thank you in advance for your generosity.

A day of formation, reflection and conversation aimed at existing catechists, those who are interested in exploring becoming a catechist and those who might need a little encouragement to consider this vocation. If you are involved or interested in working with Children's Liturgy, Baptism, First Holy Communion and Reconciliation, Confirmation or RCIA, you are very welcome to come along.

Refreshments will be provided throughout the day, but you should bring a packed lunch as there are no local shops within easy reach.
