### Second Collection this week

***Evangelii Gaudium Sunday, the day we celebrate  
 the domestic mission work of the Catholic  
 Church, is this Sunday. This year's theme "I believe..."  
 is inspired by the 1,700th anniversary of the Council of  
 Nicaea, the great gathering of Bishops from around the world  
 that formulated the Creed we proclaim every Sunday at  
 Mass.***

*When we say, "I believe", we also say "I belong". In a video  
 interview, Bishop David Oakley, Lead Bishop for  
 Evangelisation and Discipleship, has spoken about the  
 Creed, why the Church offers an attractive space for young*

*people seeking Jesus, and why it's vitally important we confidently share our faith with others. Surveys conducted in 2025 have suggested a 'quiet revival' in England and Wales, with more and more Gen Z-ers and Millennials attending Church.*

*Bishop Oakley believes young people are drawn to the Catholic Church looking for certainty and answers: "There are many young people now who are asking questions. They're not just intellectual questions that can be asked, as it were, at arm's length. They are really seeking to understand in a deep and meaningful way what this encounter with God means for them in their lives. Now, there is a certain 'certainty', if one can put it that way. St Teresa of Ávila says we have to have a determined determination to be disciples of Jesus."*

*"Even though we live in a secular society, and even though the statistics don't always look very favourable towards Christian practice, there's a very real sense in which every human being is longing and yearning for life with God. That's what we were created by Him for."*

### **Missio (Red ) Box holders:**

It's time for the annual emptying of the Red (Missio) boxes.

There are Missio envelopes at the back of church – please can you empty your red box into an envelope and mark who it is from and then pass it to me at Mass sometime before 29<sup>th</sup> September in order that I can bank the monies with Missio on Tuesday 30<sup>th</sup> September.

If anyone does not have a red (Missio) box and would like one, please do speak to me and I can arrange to get one for you. You can find out more about Missio and the wonderful work they do here: <https://missio.org.uk/redbox>

Huge thanks for your support in this wonderful mission

### **Sacramental Programs**

We are beginning both First Holy Communion and Confirmation programs.

There are application forms available and we now have dates for the First Holy Communion programme available. The program begins with a

parents meeting on Tuesday 23 September 7.30pm at Holy Angels. Applications must be received before then and parents are reminded that First Holy Communion is for children who are part of families who are regularly attending mass.

### **Youth Confirmations – it is not too late to accept names for the program**

Names need to be submitted to the parish office ASAP - and application forms are out at the back of church.

Normally this for children in school year 10 (15 years old by the time of confirmation).

Confirmation is for those who feel they are ready to make the commitment themselves to be Catholics, including accepting the mass obligation incumbent on all Catholics.

### **Help needed**

Especially with our young people's programs, First Holy Communion, Confirmation, and Youth Work.

In order for our churches to offer the range of spiritual, sacramental and practical support and help we wish to we need members of the congregations to be willing to help.

There are a number of things that happen only because of a small number of committed people to whom we are very grateful.

Especially at the moment we need people to help with our young people's programs.

We could do with at least one new person to help with the First Holy Communion, Youth Confirmation, and Children's Liturgy Programs in our churches.

For those of you not called to work with children but who are interested in helping with more adult faith formation we also need help with baptism, and marriage preparation and RCIA.
