**Praying for Vocations**

On Good shepherd Sunday we are encouraged to pray for Vocations.

In particular we need to pray for vocations to the priesthood – and for those who the Lord calls to say yes!

We also need to pray for each one us to discover the ministry vocations we may have within the church – gifts that can be used in different ways to support the community.

For the grace to live our vocations – including the vocation to marriage well and faithfully.

For the grace to discover our vocations.

*As the Committee Stage of the Terminally Ill (Adults) End of Life Bill is concluded in the House of Lords, I wish to express gratitude to all those Parliamentarians who have worked tirelessly to preserve the dignity of every human life and ensure that end-of life care remains rooted in compassion and respect until the natural end of life. In both principle and practice, along with many other experts and professionals, Catholics and others have opposed this deeply flawed Bill. I am also deeply thankful to all who have supported Parliamentarians in so many ways, including lobbying, with work, or prayer and writing to parliamentarians. I encourage all people of goodwill to continue praying for those in government, that they may be guided by wisdom and a renewed commitment to building a culture of life.*
