## Quinquennial Parish Property Survey

As reported to the AGM, we have recently had an independent review of the fabric of the church, the presbytery and the grounds, known as a quinquennial. This did not reveal any major issues other than a recommendation for a modernised kitchen, which the AGM endorsed and for which we have now obtained architect's drawings. There are however a very large number of relatively small recommendations like renewing the lines for the front car park bays and removing trip hazards. If there is anyone in the congregation which the kind of practical skills which your priest and finance committee lack and who would be prepared to give up a bit of time to help out with some of the tasks, Father Robin or Tim Flesher would be delighted to hear from you!

## Parish office

Please remember that the office has a new email address: [holyofficesurrey@gmail.com](mailto:holyofficesurrey@gmail.com) Please update your contacts accordingly. **The old email is completely defunct and email sent to that address is no longer reaching us.**
